

MAXIMIZE YOUR PATIO POTENTIAL

Everything you need to make this summer season great

EXTEND YOUR PATIO SERVICE AND YOUR PROFITS

Outdoor dining has never been more popular than it is now. Fresh air, casual spaces, and natural light are some of the key elements today's consumers are looking for when they meet up with friends, family, co-workers, or are looking for a cozy place to take a break during a busy day. If you build it, they will come.

TABLETOPS

Where the dining experience starts. Different materials offer different features. For instance: fiberglass is light and offers UV protection. Polymer bistro tables look likewood, but won't split, crack, fade, or absorb water. Steel mesh is non-slip, very sturdy, and a classic look.

Ask a specialist about difference sizes and configurations

Werzalit Tabletops

Werzalit table tops, which are composed of wood, resins and melamine shaped under high pressure processing to produce a unique high tech composite.

UMBRELLAS

To keep your guests comfortable on the patio, give them shade. Build your sun solution with bases (wheeled or weighted), shades (squares or octagons), and straight or cantilever poles. All of our shades are easy to clean and stain, fade, and mildew resistant.

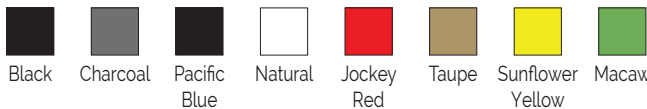

Bay Master Umbrella

The Bay Master Umbrella is extremely durable and has a rigid aluminum strut system. Made with Sunbrella furniture grade fabric, making these easy to clean and fade resistant.

Item#: 1315001
Height: 95"

Item#: 1315004
Height: 101"

Oasis Octagon Umbrella

Equipped with a single wind vent and a two-piece center pole; Manual lift mechanism with a securing pin. Features a brushed aluminum frame. Stainless steel hardware enhances durability.

Item#: 1483192
Height: 90"

UMBRELLA BASE

These Umbrella Bases are a compact and heavy-duty solution, designed to accommodate a 1.5" pole. Their slender profile, measuring only 1/2" thick, ensures unobtrusive placement while providing substantial stability. The G-Plate, constructed from galvanized steel, adds durability and strength to the base, ensuring longevity even in diverse weather conditions.

TOP YOUR TABLES

Ensure a warm and inviting atmosphere for dine-in guests by thoughtfully appointing each table to set the tone for their experience

Pay attention to the durability of accessories in outdoor settings, considering how well they withstand the elements. Optimize guest service by offering tabletop products such as durable drinkware and neatly rolled flatware. Additionally, select accessories that contribute to the overall ambiance, enhancing the overall dining experience for patrons enjoying your restaurant's outdoor setting.
